NYC Booking Outreach Review Packet

111-organization list for corporate and private-event booking, prepared so a reviewer can mark comments, corrections, and suggestions before any mail is sent.

-----------------------------	---------------------------	---------------------------	-----------------------------	----------------------------	---------------------------

Why this packet exists

This is not a finished mail-merge. It is a working directory for a second set of eyes. Please mark wrong buyers, better contacts, template mismatches, orgs to drop or add, and any warm introductions we should use instead of a cold email. Do not send from this list until the review notes on the last page are complete.

How to mark this document

■ **Send** — events-specific or named buyer. Ready after personalization.
■ **Pick 1** — two valid contacts. Choose one recipient. Never To/CC both.
■ **Confirm** — public email may not be the events buyer. Check the official page first.
■ **Find route** — no public email. Use the form, phone, or marketplace path listed.

In the **Reviewer notes** column, please write one of: **OK** · **Wrong buyer** · **New email:** ____ · **Change template** · **Move tier** · **Drop** · **Warm intro**. Add a short reason if you change anything.

What we need from you

- Are any public inboxes clearly a client RFP, space-rental, or artistic-booking desk rather than an entertainment buyer?
- Should any Tier 1 names wait, or any Tier 3 names move up because of a relationship?
- Is Version C vs D correct when a cultural venue is reached through a caterer (Great Performances, Union Square Events, Restaurant Associates)?
- Missing NYC agencies, planners, hotels, or cultural rooms worth adding?
- Anyone on this list where we already have a personal relationship or should ask for an introduction instead of emailing?
- Any subject line or ask that will land wrong for a specific buyer type?

How every email is sent

Do not put all 111 contacts in To, CC, or one BCC blast. Use a personalized mail merge with **one visible recipient per message**. Send from **info@joshuaquddus.com**. Attach **Joshua_Quddus_EPK.pdf** and one 60–90 second event-reel link. Replace the physical postal address in the footer. Include: *To opt out of future booking emails, reply 'unsubscribe.'*

1 Package EPK renamed, reel link works,	2 Match the buyer Pick Version A, B, C, or D from	3 Personalize Replace recipient, organization,	4 Follow up Reply in-thread after 6 days
---	---	--	--

file size is reasonable.	buyer type — not from tier.	and one fit sentence. No leftover brackets.	with new value, then around day 16. Stop after opt-out, no, or two unanswered useful follow-ups.
--------------------------	-----------------------------	---	--

Tier is only send order: Tier 1 first with full personalization, Tier 2 in researched batches after buyer confirmation, Tier 3 after stronger proof, a warm introduction, or a highly specific program fit. 22 rows are marked Send. 33 still need buyer confirmation or a one-person choice. 56 have no public email.

Shared inbox: celebratefood@greatperformances.com is listed for Great Performances (#10), NYPL Schwarzman (#34), and Asia Society (#80). Send it once to Great Performances. Asia Society still needs a separate programming contact for Version D.

Which template to use

Wrong template is the most common miss. A hotel should receive a vendor inquiry, not an artist submission.

VER.	USE FOR	SUBJECT LINE	THE ASK
A	Entertainment agencies and marketplaces (Star Talent, ECE, Élan, Hank Lane, Scarlett, Jarrell, On The Move)	Artist Submission: Joshua Quddus Quartet - NYC Jazz for Corporate & Private Events	Artist roster / small-ensemble database
B	Corporate planners and experiential agencies (FIRST, Tinsel, Rafanelli, Jack Morton, LDJ, Eventique, EMRG, 23 Layers)	NYC Live Jazz Partner for Receptions, Galas & Brand Experiences	Who manages NYC entertainment suppliers? Follow vendor review.
C	Hotels, venues, caterers, hospitality (Convene, Great Performances, Union Square Events, Pier Sixty, ASPIRE)	Preferred Entertainment Vendor Inquiry - Joshua Quddus Quartet	Preferred-entertainment list — not a space-rental request
D	Cultural institutions (museums, gardens, libraries, performing-arts orgs). Keep rental and curatorial asks separate.	Joshua Quddus Quartet - Contemporary Jazz in Conversation with Carnatic Music	Reception music and/or a 30–45 minute cultural program
Master	Only when A–D is a worse fit	NYC Live Jazz for Corporate & Private Events Joshua Quddus Quartet	Upcoming event, preferred list, or artist roster

Full directory — all 111

Source list order. Left-edge color matches the action. Write directly in the notes column. Recheck the official page before any send. A listed public email is not mailbox-verified and is not proof the organization is accepting new artists.
