

BOOKING OUTREACH REFERENCE GUIDE

NYC Corporate & Private-Events Outreach List

Tiered contacts, buyer-specific sending strategy, and ready-to-use email copy for the Joshua Quddus Quartet

Verified: August 16, 2026

Targets: 111 organizations: 26 Tier 1, 61 Tier 2, 24 Tier 3

Booking: info@joshuaquddus.com | (718) 316-7587

Website: www.joshuaquddus.com

Recommended sending method: Use a personalized mail merge with one visible recipient per message and separate buyer-specific copy. Do not place all 111 contacts in To, CC, or one BCC blast. Begin with the 26 Tier 1 targets, then work Tier 2 in researched batches.

Compatibility note: This edition intentionally uses paragraph-based contact cards instead of multi-page tables so the full directory remains visible in Apple Pages, Microsoft Word for Mac, and Preview-generated PDF workflows.

EXECUTION WORKFLOW

How to use this guide

Step 1 - Prepare the package

Action: Rename the attachment Joshua_Quddus_EPK.pdf and add one strong 60-90 second event-reel link.

Quality gate: EPK opens, links work, and the attachment size is reasonable.

Step 2 - Match the buyer

Action: Select the agency, planner, hotel/venue, or cultural-institution message.

Quality gate: The relationship request matches the recipient's actual pathway.

Step 3 - Personalize the send

Action: Replace the recipient, organization, and fit sentence; send from info@joshuaquddus.com.

Quality gate: No unreplaced brackets remain except the required postal-address field until it is completed.

Step 4 - Follow up with value

Action: Reply in the original thread after 6 days, then once more around day 16 with new information.

Quality gate: Stop after an opt-out, rejection, or two unanswered useful follow-ups.

Tier guide: Tier 1 (26): send first with full personalization. Tier 2 (61): confirm the correct buyer or vendor route, then work in researched batches. Tier 3 (24): nurture, seek a warm introduction, or approach with a highly specific program fit.

Subject: NYC Live Jazz for Corporate & Private Events | Joshua Quddus Quartet

Dear [First Name / Events Team],

[Add one sentence showing why Joshua is a strong fit for the organization, venue, agency, or upcoming event.]

We are reaching out to introduce the Joshua Quddus Quartet, a polished NYC-based ensemble available for corporate receptions, private dinners, galas, brand activations, cultural programs, and other curated events.

Led by saxophonist, bandleader, and composer Joshua Quddus, the group brings contemporary jazz into conversation with Carnatic musical influence, creating a sound that is sophisticated, distinctive, and adaptable to the room.

Joshua is a graduate of The Juilliard School's Preparatory Division, recipient of its Commencement Award, and a three-time YoungArts-recognized musician. His performance history includes Carnegie Hall, The Apollo, Alice Tully Hall, Birdland Jazz Club, Dizzy's Club, Rose Theater, and The Times Center.

The ensemble can scale from solo saxophone to duo, trio, or full quartet. Programs can range from elegant background music for cocktails and dinner to a featured contemporary-jazz or Carnatic-jazz performance.

Would your team be open to considering Joshua for an upcoming event, preferred-entertainment list, or artist roster? Joshua's EPK is attached, and we can provide performance footage, repertoire, pricing, availability, technical requirements, and administrative documentation upon request.

Warmly,

Subject: NYC Live Jazz Partner for Receptions, Galas & Brand Experiences

Dear [Name / Production Team],

We are reaching out to introduce the Joshua Quddus Quartet as a flexible NYC live-music partner for corporate receptions, client dinners, galas, product launches, brand activations, and cultural programs.

Joshua is a saxophonist, bandleader, and composer whose work brings contemporary jazz into conversation with Carnatic musical influence. A Juilliard Preparatory Division graduate and three-time YoungArts-recognized musician, he has performed at Carnegie Hall, The Apollo, Birdland Jazz Club, Dizzy's Club, Rose Theater, and other major New York stages.

The group can scale from solo saxophone through full quartet, support conversation at a controlled volume, follow production cues, and adapt repertoire and attire to the client brief. For a more featured moment, the quartet can also present original contemporary jazz or a focused Carnatic-jazz program.

[One sentence showing why Joshua fits the agency's work.] Who on your team manages New York entertainment suppliers or specialty talent? We would welcome the opportunity to follow your vendor-review process. Joshua's EPK is attached.

Subject: Preferred Entertainment Vendor Inquiry - Joshua Quddus Quartet

Dear [Name / Events Team],

We are writing with a professional vendor inquiry, rather than a space-rental request, to introduce the Joshua Quddus Quartet for corporate and private events at [Organization].

The NYC-based ensemble provides sophisticated live jazz for cocktail receptions, VIP dinners, galas, networking events, holiday celebrations, and cultural programs. Led by saxophonist and composer Joshua Quddus, the group combines serious jazz musicianship with Carnatic musical influence, creating a sound that is elegant, distinctive, and adaptable to the room.

Joshua is a Juilliard Preparatory Division graduate, recipient of its Commencement Award, and a three-time YoungArts-recognized musician whose performance history includes Carnegie Hall, The Apollo, Birdland Jazz Club, Dizzy's Club, Rose Theater, and The Times Center. Formats are available from solo saxophone through quartet.

Does your catering or private-events team maintain a preferred entertainment list or recommend musicians to clients? We would be grateful to learn your review process. Joshua's EPK is attached, and we can provide event footage, rates, repertoire, a concise technical plan, W-9 or invoice documentation, and insurance information as required.

Version D - Cultural institutions and arts organizations

Use when: Asia Society, museums, performing-arts institutions, botanical gardens, libraries, and other cultural organizations. Keep rental/vendor and curatorial/programming asks separate whenever possible.

Subject: Joshua Quddus Quartet - Contemporary Jazz in Conversation with Carnatic Music

Dear [Name / Programs or Special Events Team],

We are reaching out to introduce Joshua Quddus, a NYC saxophonist, bandleader, and composer whose music brings contemporary jazz into conversation with Carnatic musical influence.

Joshua is a graduate of The Juilliard School's Preparatory Division, recipient of its Commencement Award, and a three-time YoungArts-recognized musician. His performance history includes Carnegie Hall, The Apollo, Alice Tully Hall, Birdland Jazz Club, Dizzy's Club, Rose Theater, and The Times Center.

The Joshua Quddus Quartet can serve [Organization] in two distinct ways: as polished live music for donor, corporate, and private-event receptions; or as a focused 30-45 minute cultural program featuring original music, improvisation, and brief artist context around the dialogue between contemporary jazz and Carnatic influence.

[One sentence connecting the program to the institution's mission, audience, or calendar.] May we send the appropriate team a concise program proposal, or learn how musicians are reviewed for special-event referrals? Joshua's EPK is attached, and additional performance footage is available immediately.

Dear [Name / Team],

We wanted to follow up once regarding the Joshua Quddus Quartet and add one useful detail: [new performance clip, specific available dates, recent booking, or one highly relevant event use case].

The ensemble is available as solo saxophone, duo, trio, or quartet for receptions, dinners, galas, brand events, and cultural programs. If another colleague manages entertainment suppliers or preferred vendors, we would be grateful for the correct contact or submission route.

Thank you again for your consideration.
